PROJECT LOCATION: San Benito Wetlands, Line 20, San Benito, TX

Project description and Types/duration of volunteer opportunities:

Bird Surveys are conducted once a month until further notice to gather data for development, grants, etc. The property continues to phase into development with the intention of providing an urban birding oasis with parking and rest facilities. The facility is not open to the public on a continual basis during development. Volunteers are needed to help with the bird counts, signage, planting native vegetation, to name a few.

Current volunteer schedule: Third or fourth Saturday of the month, @ 7:30 am until approximately 11am. Email Alicia Cavazos at alicav399@yahoo.com for work scheduling info.
