CONTACT: Robert Gaitan

Ph/E-mail: 817.307.4587/ rgaitan.it@gmail.com

Physical address: (Local and/or Corporate)

Native Plant Center on South Padre Island

Volunteer Opportunities: (Examples could be gardening, park maintenance, feeding the wildlife, equipment maintenance, interpretive tour guide, guiding walks, supporting facility functions, educational/outreach support, administrative/media, other activities as they arise.)
Various Projects / Ongoing - You can reference the Native Plant Society of Texas website (npsot.org) for a list of volunteer and training opportunities. Activities could include transplanting seedlings, preparing plant beds, weeding, pruning, staff information tables, conduct training classes, present before local communities, support native plant sales, etc. New activities may develop as they grow their education and outreach efforts in the Rio Grande Valley.

Procedure to Volunteer:

Call Robert Gaitan
